

Activating Administrator Account

So you've got your card - Great! Now, take the next step and activate your account!

Step One:

If you are a team administrator and need to activate your account, please click "activate account" on the left side navigation menu.

Please enter your username and password to access your member profile. You can then add new family members or update information such as address, telephone number, and emergency contact information.

You can access your member profile 24 hours a day, 7 days a week.

Step two: Entering your personal identification information.

Enter your first name, last name, driver's license number, and admin id number from your Cal South member ID card.

Note: If you have more than one administrator ID, you will be required to activate an account for each administrator ID account.

ID? If your driver's license number, Cal ID or Passport does not exist in the system, you will need to contact your local registrar or Cal South to activate your account.

Step three: Verify your personal information!

Account Activation
Use this page to activate your account.

Please verify all the information is correct. Enter a username and password for your account below. Click on the "Update" button to login with your new username and password.

* are required fields
