

## **Cal South Referee Association Eligibility Requirements**

The Cal South Board of Directors and the Cal South State Referee Committee (SRC) acknowledge at this current time that all Referee Associations are independent entities formed for the basis of localized referee membership and assignment. Cal South will recognize each Referee Association on our website and as a resource for Cal South assignments as long as the following criteria are fulfilled.

1. All member Referees must be USSF certified and registered for the current year
2. Must have at least one Assessor USSF certified and registered for the current year
3. Must have at least one Instructor USSF certified and registered for the current year
4. Must have at least one Assignor USSF certified and registered through Cal South for the current year
5. All Referee Association Assignors must attend the annual Cal South Assignors meeting
6. Agrees to participate in the Cal South monthly instructional program for their Association
7. Must be able to submit a complete Association referee roster upon request
8. Compliance with all Cal South Rules and Risk Management requirements
9. Provide priority assignments and referee services to Cal South and US Soccer Federation affiliates
