Fullerton, CA 92831

Re: Membership Application

Dear John,

We are pleased to confirm for you that the U.S. Soccer Federation National Council formally admitted California Youth Soccer Association – South into full membership as the adult state association for Southern California at its March 14, 2009 meeting. The net effect of this is that your organization is now recognized as a joint state association, responsible for administering both youth and adult programs.

Congratulations. We look forward to working with you.

Sincerely,

Timothy M. Pinto
General Counsel
U.S. Soccer Federation
