TOPSoccer Day is designed to bring the opportunity of learning and playing soccer to any young boy or girl who has a mental or physical disability. Athletes from all over Southern California are invited to a fun-filled day of various soccer activities and events. TOPSoccer Day is also La Jolla Soccer's kickoff event to its TOPSoccer Fall season. Playing soccer is an excellent way to help kids with special abilities get exercise, improve coordination, and meet other kids who face the same challenges that they do. We hope that you join for this special event and for our Fall season.
