# TOPSoccer Fest

## May 2nd

The California Youth Soccer Association - South, in conjunction with Atascadero Youth Soccer Association and South Bay Soccer Association, will be hosting the 2nd Annual TOPSoccer - The Outreach Program for Soccer - on May 2, 2009. TOPSoccer - The Outreach Program for Soccer - is a community-based soccer program for young athletes with physical and mental challenges. Any youth player between the ages of 4-19 years old having a physical or mental challenge that limits their ability to perform at the level of same age-peers is eligible for the program. The emphasis of this program is on development, training, and providing meaningful participation rather than competition. TOPSoccer's goal is to enable young athletes with disabilities to enjoy the sport of soccer, to have positive interactions with their teammates and coaches, and to become valued and successful members of Cal South.

Come join us for a fun-filled morning of soccer-related activities, games, and healthy snacks. This event's focus is on fun. No prior soccer experience is necessary. All participants will receive a free t-shirt. There is no obligation to sign up for the upcoming season. Interested players may register at the event for the upcoming soccer season.
